**Madico, Inc. Appoints Enersun as Exclusive Distributor of Sun-Gard® Brand Products in Australasia**

**St. Petersburg, Florida (USA), May 18, 2011:** Madico, Inc is pleased to announce the continued expansion of its worldwide distribution network for its Sun-Gard® solar energy control products by appointing Enersun Corporation as the exclusive distributor for Australasia.

From their headquarters of Caringbah in Sydney, Enersun has actively marketed all Madico® branded window films for more than 20 years. Enersun has now added the complete line of Sun-Gard products that were recently acquired by Madico, Inc. Sun-Gard is a premium line of solar control window films for automotive and architectural applications.

“We are excited about the opportunity to expand our long standing relationship with Enersun. They have been successfully distributing Madico window film in Australia and New Zealand for more than 20 years. They have developed a strong position in the market by always maintaining a high degree of professionalism and impressive business relationship capabilities,” says Jeffrey Plummer, Sr. VP of sales, marketing and business development for Madico Window Films.

Gary Lane, Managing Director of Enersun says, “We look at this opportunity as a way to provide our customers and the Australasian market with an expanded line of quality solar control products. Sun-Gard window films, with their competitive prices and first class marketing support, will complement and enhance our existing line of Madico products.”
